SECTION 2: TERMS OF REFERENCE

2.1 Background

Greater Noida, spread over an area of about 350 sq. kms, is being developed as an integrated industrial town located about 45km from New Delhi. Greater Noida is developed in Sectors and Villages which are further divided, for administrative purposes, into 8 work circles. The population of Greater Noida as per 2011 census was around 1 lakh. The current population is estimated to be approximately around 8 -10 lakhs.

Tree transplantation in Greater Noida is crucial to balance urban development with environmental preservation. It helps save mature trees, supports biodiversity, and promotes sustainable growth in the rapidly expanding region.

2.2 Objective

- To identify and empanel competent agencies with expertise in tree transplantation.
- To ensure the preservation of trees by implementing effective transplantation techniques.

2.3 Scope of Work

The scope of work includes but is not limited to:

- Conducting site assessments to identify trees suitable for transplantation.
- Executing safe and efficient tree transplantation processes, including excavation, transportation, and replanting.
- Providing post-transplantation care to ensure tree survival and health.
- Preparing detailed reports on each transplantation project, including success metrics.

SECTION 3: INSTRUCTIONS TO AGENCIES

3.1 Amendment to Expression of Interest (Eoi)

At any time prior the deadline for submitting Eoi, GNIDA may, for any reason and whether on its own initiative or in response to a clarification request from prospective participants/agencies, modify, change, add to, or delete certain conditions in the Invitation for Eoi through an amendment. Such amendment shall be binding on any firm which may desire to submit an Eoi. Additionally, GNIDA may, at its discretion, extend the deadline for the submission of EOI subsequent to issue of Amendment and or Supplemental Information.

3.2 Language of Eoi Response Proposal

The language of the Eoi Response Proposal shall only be in English.

3.3 Cost of Eoi

The participant shall bear all its costs associated with or relating to the preparation and submission of its Proposal including but not limited to copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by the GNIDA or any other costs incurred in connection with or relating to this Eoi application. All such costs and expenses will remain with the participant and the GNIDA shall not be liable in any manner whatsoever for the same or for any other costs or other expenses, regardless of the conduct or outcome of the Eoi Process.

3.4 Submission of Eoi

Participants/Agencies are solely responsible for timely submission of the Eoi in soft copy format given in Section 4 (collectively referred as Eoi) as per timelines and details given in the data sheet.

The Authority may extend the deadline for submission of application by issuing an amendment, in which case all rights and obligations of the Authority and the participants previously subject to the original deadline will then be subject to the new deadline.

- i. Participants/Agencies should examine all Instructions, Scope of Work and Terms and Conditions as given in the Eoi document.
- ii. The supporting documents as given in the Eligibility Criteria shall be submitted in the Eoi response proposal.
- iii. The response proposal shall be bound, signed on all pages, and sealed in a single cover. The cover shall be bearing the Eoi Reference details, Eoi inviting Authority' details & address, Participating Organization Name & address. The cover shall be sealed completely devoid any loose / breakages in the cover. The same shall be submitted to the

3.5 Opening of Eoi

GNIDA will proceed to open all Eois as scheduled in Section 4. Eois lacking any required documents will be rejected outright.

3.6 Evaluation Process

All the response proposals submitted for this Eoi would be evaluated as per Evaluation Criteria mentioned in Section 4 and other terms & conditions mentioned in the Eoi. The evaluation committee shall scrutinize the received response proposals and shortlist among the top qualified agencies.

As part of further evaluation, the shortlisted agency will be asked to make a technical presentation of their credentials and process follow, etc at GNIDA office. During the presentation, the Eoi evaluation committee may seek necessary queries from the participant agency. Based on the clarifications provided by the participant, the technical committee would take the final decision on compliance of the application for empanelment.

Post comprehensive evaluation of the applications, the GNIDA will publish list of Empanelled agencies in its website for public consumption.

3.7 Duration and Extension of Empanelment

- The duration of the empanelment will be for 12 months from the date of publishing on the website.
- The empanelled agency must inform GNIDA of their decision to either continue or terminate the service at the end of the 12-month period. The final decision will be made by GNIDA based on the agency's performance.
