4.3. Financial Evaluation

Minimum score of 60 marks is required in the technical evaluation process for the bidder to be eligible for financial opening. Only those bids fulfilling the minimum score criteria would be eligible for opening of financial bids. All the firms which meet the minimum qualifying marks prescribed will stand technically qualified for consideration of their financial bids. **In case, the quoted rate is less than the minimum fixed fee (as mentioned in this RFP), the financial bid will be rejected, and the bidder will be disqualified from the bidding procedures.**

FOR Quality cum Cost based Selection (QCBS)

Under QCBS, the Technical Proposals will be allotted weightage of 70% while the Financial Proposals will be allotted weightages of 30%.

Proposal with the lowest cost shall be given a financial score of 100 and other proposals shall be given a financial score that are inversely proportional to their quoted prices.

The total score, both technical and financial, shall be obtained by weighing the quality and cost scores and adding them up. The proposed weightages for quality and cost shall be specified in the RFP.

Highest points basis: On the basis of the combined weighted score for quality and cost, the consultant shall be ranked in terms of the total score obtained. The proposal obtaining the highest total combined score in evaluation of quality and cost will be ranked as H-1 followed by the proposals securing lesser marks as H-2, H-3 etc. The proposal securing the highest combined marks and ranked H-1 will be invited for negotiations, if required and shall be recommended for award of contract.

As an example, the following procedure can be followed.

In a particular case of selection of consultant, it was decided to have minimum qualifying marks for technical qualifications as 60 and the weightage of the technical bids and financial bids was kept as 70:30.

In response to the RFP, 3 proposals, A, B & C were received. The technical evaluation committee awarded them 75, 80 and 90 marks respectively. The minimum qualifying marks were 60. All the 3 proposals were, therefore, found technically suitable and their financial proposals were opened after notifying the date and time of bid opening to the successful participants. The price evaluation committee examined the financial proposals and evaluated the quoted prices as under:

Proposal Evaluated cost:

- A. Rs. 120.
- B. Rs. 100.
- C. Rs. 110.

Using the formula $LEC \times 100 / EC$, where LEC stands for lowest evaluated cost and EC stands for evaluated cost, the committee gave them the following points for financial proposals:

A: $100 \times 100 / 120 = 83$ points

B: $100 \times 100 / 100 = 100$ points

C: $100 \times 100 / 110 = 91$ points

In the combined evaluation, thereafter, the evaluation committee calculated the combined technical and financial score as under:

Proposal A: $75 \times 0.70 + 83 \times 0.30 = 77.4$ points

Proposal B: $80 \times 0.70 + 100 \times 0.30 = 86$ points

Proposal C: $90 \times 0.70 + 91 \times 0.30 = 90.3$ points

The three proposals in the combined technical and financial evaluation were ranked as under:

Proposal A: 77.4 points H3

Proposal B: 86 points H2

Proposal C: 90.3 points H1

Proposal C at the evaluated cost of Rs. 110 was, therefore, declared as H1 (highest ranked) and recommended for negotiations/approval, to the competent authority.

4.4. Contacting GNIDA
