Tender ID: 2023_GNIDA_775865_1

Sl. No.	Page No.	Clause No.	Original Clause in the RFP	Clause after Corrigendum / Addendum
1.	19	5	<p>The vehicles would need to transport waste collected to the Processing Site in Lakhnawali.</p> <p>The Concessionaire shall be responsible to transport the rejects and inert from the processing plant location to the designated disposal sites (Sanitary Landfill site in Astauli) during the concession period (as per CPHEEO norms)</p>	<p>The vehicles would need to transport waste collected to the Processing Site in Lakhnawali. In future, some or all waste maybe sent to Astauli.</p> <p>The Concessionaire shall be responsible to transport the rejects and inert from the processing plant location to the designated disposal sites (Sanitary Landfill site in Astauli) during the concession period (as per CPHEEO norms).</p>
2.	22	5.1 (4)	<p>The bins shall be washed twice a day by deploying required number of bin washing vehicles and shall be painted quarterly once as per the colours suggested by the Authority for wet waste, dry waste and street sweeping waste. The washing should be done using treated wastewater from GNIDA STPs.</p>	<p>The bins shall be washed twice a week by deploying required number of bin washing vehicles. However, the waste needs to be picked twice a day from dustbins by Centralised Concessionaire along with collecting door to door waste. The vehicles shall be painted quarterly once as per the colours suggested by the Authority for wet waste, dry waste and street sweeping waste. The washing should be done using treated wastewater from GNIDA STPs.</p>
3.	22	5.1	<p>Other Scope of Work</p> <p>2. Concessionaire is also responsible for removal & disposal of dead animals using own vehicles.</p>	<p>Other Scope of Work</p> <p>2. Concessionaire is also responsible for removal & disposal of dead animals using own vehicles. The dead animals are to be transported to incinerator facility established in village Jalpura or any other facility that may come up in future.</p>

4.	25	5.1.1 [vi](6)	The concessionaire shall deposit the collected user fee in an Escrow account.	The concessionaire shall deposit the collected user fee in an Escrow account. Once the Concessionaire provides required data to GNIDA to the number of households and details of households who have paid User charges out of the total dues, the amount from the Escrow could be released to the Concessionaire. If Concessionaire provides this data by 5 th of the next month for which User charges are being collected then, GNIDA Finance to release the funds by 10 th of the next month, i.e. within 5 days of receiving the required data in the required format. For example for the month of June 2023, if Concessionaire provides the data by 5 th July 2023, then by 10 th July 2023, GNIDA Finance to issue instructions to bank for release of funds to Concessionaire.
