1.	Pg- 5; 1. Instructions to Applicants; 1.2. Preparation, submission, opening & acceptance of Proposals/ e-bids	NA	1.2.19- Procedure and Clarification on Calculations and Procedure of Application <ol style="list-style-type: none">1. No Applicant or its Associate shall submit more than one Proposal for one sport/ discipline, in response to this RFP.2. Applicant applying individually or as an Associate/ Academy shall not be entitled to submit another Proposal for individual sports. However, Applicants may apply for multiple sports/ disciplines.3. Documents to be submitted separately for each sport.4. The Applicant is required to submit ALL the documents separately for all the sports they are applying for. <i>For example, if a Applicant is applying for two sports out of the ten sports available, the Applicant will have to submit two (02) separate sets of all the documents required for the submission of this RFP. The Applicant must create two different sets of PDF (all document for each sport merged together in a single PDF file) and upload it on the desired field in the Tender Portal.</i>5. The calculation for the EMD will be as per the number of sports the Applicant is applying for. <i>For example, if a Applicant is applying for three sports (cricket, tennis and shooting) out of the ten sports available, the Applicant will have to submit the EMD as per the following calculations- EMD = Equivalent to Monthly Fixed Fee of 1 month. Therefore, Total EMD for three sports (cricket, tennis and shooting) is 30,000 + 30,000 + 20,000 = 80,000. So, for applying in 3 sports (cricket, tennis and shooting) the total amount of EMD to be deposited by the Applicant is Rs. 80,000/-.</i>6. The EMD amount will be deposited online through the UP E-tender Portal only.7. The calculation for the Security Deposit will be as per the number of sports the Applicant has been selected for. <i>For example, if an Applicant has been selected for three sports (cricket, tennis and shooting) out of</i>

I would like to mention that Table Tennis is a Individual game so the ratio of coach to student is high.	As per RFP				
3.	3.1. Scope of Services; Pg-11	4. The coaching fee will be increased by 5% at the start of each Financial Year.	Monthly coaching fee should also be increased by 10% every year with the minimum fixed fee. so that we can increase the salary of coaches as well.	As per RFP				
4.	NA	NA	Previous tender processing fee should be adjusted or refunded in this tender as the tender was not opened and modified.	As per RFP

			<p>government is to bring quality coaches with specified qualifications and experience. Company bidding may hire such coaches on retainer basis for the same and provide the retainer/ empanelment letter for support. Is that allowed?</p> <p>If not, then we request removal of these conditions to allow consortium and/or sub-contracting, for sports companies with experience in coaching to apply for multiple sports</p>	
9.	Terms of Reference clause 3.1 (4), pg 11	Coaching fee will be increased by 5% every financial year	<p>This rate is almost equal to the average CPI inflation in the last 5 years. To incentivize and to accommodate any significant rise in inflation in the contract period (inflation in 2020 being 6.62%, this should be made 10% annually. This will also allow some margin for the coaches due to differential in coaching and monthly fee increments annually. Can this be done?</p>	As per the RFP
10.	Qualification and selection criteria, clause 4. 1(ii), pg14	For academy, coaches' experience to be submitted in Form 1.3	<p>We found no such form. Please clarify which format. Also - we are assuming 'academy' would also imply any company/organization with experience in providing coaching services, even though we may not have our own academy. Is this understanding correct?</p>	Refer to Corrigendum No.2
11.	Qualification and selection criteria, clause 4. 1(ii), pg14	Qualification criteria of coaches	<p>For academy (organization/company) applying, this clause doesn't mention any minimum requirements unlike clause 4.1 (iii) for individual coaches.</p> <p>We understand that for companies/ organizations overall experience is being evaluation (including coaches' experience of the proposed profile) and hence there are no specific qualification criteria. Is that understanding correct?</p>	Refer to Corrigendum No.2
12.	Qualification and selection criteria, clause 4. 1(ii) and (iii), pg14	Qualification criteria of coaches	<p>For sports like Tennis, Table Tennis, Shooting etc. certification from the respective federation is also considered equally valid.</p> <p>We understand that this will be acceptable? Is that understanding correct, particularly in case of companies/organizations with coaching services experience bidding for this?</p>	As per RFP
13.	Form 2; pg 17	Financial Capacity	Is it required to be submitted, if the Applicant is an organization/ company?	Financial Capacity is NOT required.
14.	Form 3A & B, pg 18	Eligible assignment & projects	<p>We understand that this format is an error in the RFP, since it has not been defined anywhere what is the meaning of eligible assignments. Also in coaching services it may be difficult to get a completion letter from the client on how much professional fee was received in the period of contract. Coaches' experience and CV will anyways be submitted. Hence - this form may be removed.</p>	Refer to Corrigendum No.2

15.	Form 7, pg 21	Financial Proposal	Since financial bid is not to be submitted, we are assuming that his form is not required to be submitted. Is that understanding correct?	As per the RFP, Financial Bid is NOT required. Please refer to Pg-1, Data Sheet, point 7.
16.	Clause 2.6.2, pg 27	Termination by coach/agency	<p>In the event of government not paying or delaying the payment of coach/agency for more than 15 days after completion of the month, the coach/agency can terminate the contract with 30 days' notice period.</p> <p>We request this addition, to protect the interest of the coach/agency as the resources cost (manpower, equipment, consumables, etc.) has already been incurred by the coach/agency and delay in payments can affect the cash flows significantly.</p>	As per RFP
17.	Clause 2.8 (i), pg 27	Third party insurance	<p>Please clarify what is required to be covered in this 'general insurance' policy. In our view this is required to cover only injuries/accidents/ death due to sports. Is that understanding correct? If the above understanding is correct, then based on our research in the market only Bajaj finserv and OCl offer similar policies, which are quite expensive amounting upto Rs. 500/- per month per insured person for a cover of Rs. 1-2 lacs. Given the fee structure this will be a significant % of fee collected from an individual. Also - such policies may have limitations that they are not available for persons below 18 years of age. Pls see: https://www.bajajfinserv.in/sports-fitness-injury-insurance https://orientalinsurance.org.in/sports-insurance-policy Another challenge - if group insurance type of policy has to be taken for all players in the academy - is to determine and give a number to the insurance company to determine the premium amount, since unlike in case of employees in a company which does not change frequently, enrolments in an academy can change frequently based on seasonality and other factors (like stoppages due to pandemic). So if the requirement is such a sports insurance policy, it should be removed, since unlike a government scheme or program, where the players' numbers are fixed due to talent identification/selection process for the same, these academies will be commercial and will charge a fee and hence numbers will not be fixed and/or stable always.</p>	As per RFP
18.	Clause 3.3 special conditions of contract, pg 31	Admit cards	<p>We understand that coach/agencies responsibility will only be to provide the enrolled players/members data to government who will then issue the admit cards. The coach/agency is not responsible for printing and bearing the expense for printing/distribution of these cards. Is that understanding correct?</p>	Refer to Corrigendum No.2

19.	Clause 3.4 special conditions of contract, pg 31	Sports events and camps	We understand that putting up advertisements/signage is allowed during such events/camps, as companies/organizations may be involved in sponsoring and/or conducting such activities with the coach/agency. Is that understanding correct?	As per RFP
20.	Clause 3.5 (i) special conditions of contract, pg 31	Advertisement and signages	Can the advertisement and signages of sports companies be allowed, where the revenue can be shared in the same proportion between coach/agency and government? This can be a good revenue source and shouldn't be missed, while we agree that all other commercial ads/signages are not allowed.	As per RFP
21.	Clause 3.6 special conditions of contract, pg 31	Equipment storage and safety	We request that storage for equipment and responsibility of their safety should be taken up by the government by default, as the premises are completely in their control and custody. Coaches/agency will also be allowed access only after selection and award of contract. So while we agree that the coach/agency should be responsible to keep the equipment in appropriate storage space provided by government and ensure its locked in their presence, it is not possible for coach/agency to take responsibility of safety against theft, fire harzard, etc. for the equipment. Similarly, provision of space to store equipment should not be on request, but by default, as it is not practical for the coach/agency to carry the equipment after training or hire another place just for storage, given the maximum limit on coaching rates and the ratio of revenue share.	As per RFP
22.	Annexure II, pg 32	Coaching charges	Apart from the monthly charges, option of daily charges also should be provided as for reputed coaches/agencies there may be trainees who may want to come for special training for a day or two.	As per RFP

Rest of the terms and conditions will prevail.
